Simplified for business, the Lenovo® ThinkPad® Edge E430/E530 notebook is built with style for growing businesses. The notebook is designed to maximize productivity using industry-leading features tailored to your business need, reducing dependability on dedicated IT staff.

Progressive design and top cover in multiple colors offer a sophisticated level of personalization for your business. Experience outstanding VOIP functionality with a low-light sensitive web camera and unique noise suppression technology that eliminates keyboard noise during video or voice chat. In addition, the notebook is light weight and thin, making your frequent travels more comfortable.

Whether you are looking for moderate price, performance, productivity, durability, or stylishness, ThinkPad® Edge E430/E530 is the right choice.

LENOVO ENHANCED EXPERIENCE 3 FOR WINDOWS® 7. FASTER AND OPTIMIZED FOR BUSINESS.

Fast and optimized for multimedia: Lenovo Enhanced Experience 3 for Windows® 7 uses RapidBoot technology to start your PC 40% faster than a typical Windows® 7 computer*. And BootShield maintains fast boot performance even after installing multiple applications. Plus, you can enjoy richer sound and HD webcams. Find out more at www.lenovo.com/win7ee

*Available on certified models with Intel® Core™ i3, i5 or i7 processors. Claim is calculated by taking the average of Lenovo EE3 notebooks and desktops, and compares it with averaged data from 49 competitor products of similar configuration (Intel® Core™ i3, i5 and i7 PCs only). Testing conducted by CNET Labs, Beijing in December 2011, using the independent VTS tool to measure start-up time and other performance measurements. Performance will vary by model and configuration.

Lenovo® recommends Windows® 7 Professional.

lenovo® **FOR**
THOSE
WHO DO.™

POWERFUL PERFORMANCE

The ThinkPad® Edge E430/E530 boosts business performance using:

- 3rd generation Intel® Core™ processors with integrated graphics
- Enhanced Experience 3 for faster booting/resume and enhanced battery life
- Intel® HD with 80% up faster graphics performance
- Integrated HD 720p camera with face tracking captures high-resolution video even in low light environments
- Lenovo Hard Disk Drive Performance Booster: Productivity testing shows 184% increase in performance vs. normal Hard Disk Drive systems

STYLISH AND EFFICIENT

The ThinkPad® Edge E430/E530 is designed to be stylish and durable providing:

- Progressive clean design with multiple top cover colors for a fashionable look and feel
- Midnight Black, Heatwave Red and soft touch paint with a silver band and brushed aluminum metal covers with a black band adds to the style statement
- Drop-down hinges shows attractive LCD screen and keyboard face clean
- The light weight allows you to travel effortlessly with your notebook³
- Enhanced keyboard design with numeric keypad and spill resistance⁴

¹Battery life improvement tests conducted in house using the Mobile Mark 2007 Standard

²Optimus technology with battery savings is only available with Windows® 7 OS

³E430 only.

⁴E530 only

IMPROVED PRODUCTIVITY

The ThinkPad® Edge E430/E530 gives your work both effectiveness and versatility with:

- Dolby Advanced Audio v2 for increased audio clarity on VOIP applications and maximized volume output
- Various call modes for an outstanding VOIP experience
- Private Internet Call mode with dual array microphone and improved audio recording clarity with the features, Echo cancellation, Beam forming, and Noise Suppression
- Quick access to microphone, speaker and camera mute buttons, working with VoIP has never been easier

INSPIRED USABILITY

The ThinkPad® Edge E430/E530 provides many innovative usability features including:

- USB 3.0 that powers data transfer at a rate ten times greater than USB 2.0
- SimpleTap Deskband as a single point for notifications and launching Lenovo Solution Center (LSC), Lenovo Solutions for Small Business powered by Intel Small Business Advantage and MCP

LENOVO SERVICE

Lenovo offers a comprehensive portfolio of award-winning services to support and protect your ThinkPad® Edge investment. Lenovo Services lets you focus on your customers and business, not your IT.

Priority Technical Support*

Makes your priority, our priority. 24x7 priority call routing to advanced-level technicians, electronic incident tracking, rapid response and resolution.

Warranty Upgrades - Onsite and Next Business Day

Maximizes PC uptime and productivity by providing convenient, fast repair services at your home or office.

Warranty Extensions (1 to 4 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment, and potentially lower the cost of ownership over time.

* Not available in all regions

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen
